Speakers

Chris Wilson

Partner
Norton Rose Fulbright
Vancouver

Chris Wilson acts as lead counsel in trade-mark, copyright, patent and trade secrets litigation. He manages the IP needs of clients across numerous industries, including alcoholic beverages, consumer products, traditional and e-commerce retailers, public authorities and regulatory bodies, financial services, natural resources software and video game developers. His practice focuses on enforcement and disputes, including trade-mark actions and appeals from the Trademarks Opposition Board, patent infringement and ownership disputes, copyright and industrial designs, parallel imports and issues relating to the Internet.

Alice Davidson

VP & General Counsel
Mogo Finance Technology
Inc.
Vancouver

Alice Davidson is the Vice-President & General Counsel at Mogo, which is focused on building the leading digital financial platform in Canada. Alice leads Mogo's Legal & Compliance team in navigating through a complex and segmented regulatory environment, plays a key role in Mogo's financings, strategic partnerships and acquisitions and is part of a cross-functional team that leads product development. She is also an Instructor at Spin Society, a boutique indoor cycling studio in Vancouver.

Before joining Mogo, Alice practiced corporate and securities law at Stikeman Elliott in Vancouver for 5 years. Alice obtained her JD from the Allard School of Law and has a commerce degree from the Schulich School of Business.

Simran Singh

VP, Strategy and Business
Development
Hyperwallet Systems Inc.
San Francisco

Simran Singh is the Vice President of Business Development and Strategy at Hyperwallet — a global payout provider. In this role, Simran leads corporate development efforts, defines long-term company strategy, and incubates internal initiatives, such as new products and geographic expansion.

Simran served as head of business development at Boomerang Commerce where he led business development for all softline-based clients including Saks Fifth Avenue, Nordstrom, and Walmart. He has held senior positions at VMware, Baring Private Equity Asia, and The Parthenon Group. Simran is also the founder of Buyt, India's largest retail comparison shopping engine.
