

## Optimism assessment

*Authentic Happiness, University of Pennsylvania, USA*

### Instructions

Prior to attending the Learned Optimism masterclass, we ask you to complete the attached questionnaire which will form part of the training.

Read the description of each situation and vividly imagine it happening to you. You have probably not experienced some of the situations, but that doesn't matter. Perhaps neither response will seem to fit; go ahead anyway and circle either A or B, choosing the cause more likely to apply to you.

You may not like the way some of the responses sound, but don't choose what you think you should say or what would sound right to other people; choose the response you would be more likely to have. There are no right and wrong answers.

Circle only one response for each question, and take as much time as you need to answer. On average it takes about 15 minutes.

You will get the opportunity to explore and interpret your results during the masterclass.
